8th International Conference on Logistics Operations Management:

Revolutionning Supply Chain and Logistics Through Operation Research and Artificial Intelligence

May 7-9, 2026, Fez - Morocco

Dear Colleagues, Dear researchers,

Apologies if you have received multiple copies of the following CFP

On behalf of the Steering and Organizing Committees, we'd like to invite you to submit your papers for the 8th edition of [GOL](#) to be held in **Fez – Morocco, May 7-9, 2026**. We would be very grateful if you can forward this message to your students and colleagues, members of your mailing lists.

The 8th International Conference on Logistics Operations Management (GOL'26) aims to bring together researchers and professionals interested in logistics from different points of view: industrial engineering, management, economics, and social sciences. This multidisciplinary conference will examine the current state of the art focusing on innovations in concepts, models, methods, and tools for global supply chain management. The scope of the conference will cover, but not be limited to, several topics such as logistics systems modeling, decision support systems, information systems, artificial intelligence, framework and control of the global logistics chain, manufacturing organization, transport and storage operations, performance modeling, and measurement.

Paper Submission:

Full papers must be in English and submitted in PDF format using the easychair platform (must be in the range of 6-10 pages).

All accepted papers will be submitted for consideration to SCOPUS, and DBLP.

Important Dates:

Special Sessions Proposals: **July 05, 2025**

Paper Submission Due: **September 30, 2025**

Acceptance Notification: **November 30, 2025**

Camera Ready Submission: **January 15, 2026**

Registration: **February 15, 2026**

Conference Dates: **Mai 7-9, 2026**

For more details, please visit the conference website at [GOL'26](#)

We hope that you will consider submitting your papers to GOL'26 and encourage your colleagues, research group members, and fellow scientists to contribute and participate as well.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Youssef BENADADA

Fatima-Zahra MHADA

Conference Chairs, GOL'26
