

Transportation Research Forum

51st Annual Forum

Washington DC, USA • 11-13 March 2010

Abstract Submission Deadline: December 15, 2009

Submit abstracts now at: www.trforum.org

CALL FOR PAPERS

Present your latest research at the 51st Annual Transportation Research Forum!

Papers and panel session proposals are welcomed in all areas of transportation and especially encouraged on the following conference themes.

- Transportation in an Era of Economic Challenges
- Sustainable Transportation
- Transportation and Energy
- Transportation Policy in the 21st Century
- Challenges in Truck, Port, Transit, Intercity Rail, and Air Transportation

Please submit abstracts for papers, panel sessions and posters according to the submission guidelines at www.trforum.org by **December 15, 2009**.

TRF is dedicated to providing an interdisciplinary forum for the exchange of ideas among practitioners, researchers, and government officials regarding all modes of transportation, focusing on both domestic and international issues.

For further information visit: www.trforum.org or contact Sue Hendrickson at info@trforum.org
