

CALL FOR PAPERS - FIRST ANNOUNCEMENT

AIRO2009, the Fortieth Annual Conference of the Italian Operational Research Society, September 8-11, 2009, School of Engineering of the University of Siena, Siena, Italy.  
<http://airo2009.dii.unisi.it>.

Theme and Scope

\*\*\*\*\*

The conference will address all areas of operations research, with special emphasis on applications of decision models to management problems, including performance evaluation, process engineering, benchmarking, logistics, organizational issues.  
The AIRO2009 Scientific Committee will select papers to be presented at the Conference and included in the Conference Proceedings.  
A special issue of an International Journal may be devoted to the papers presented at the Conference.  
Authors interested in this opportunity must submit their full paper by September 30th, 2009.

Plenary talks

\*\*\*\*\*

Fritz Eisenbrand (École Polytechnique Fédérale de Lausanne) Michael Pinedo (New York University) Franz Rendl (Universität Klagenfurt)

Submission

\*\*\*\*\*

Prospective contributors are invited to send an abstract of the presentation of at most 2000 characters, by May 15th, 2009.  
The abstract should contain title, authors, affiliations with address, telephone, fax and e-mail, three keywords and no more than five references.  
The abstracts should be uploaded at the conference web-site:  
<http://airo2009.dii.unisi.it>.

Sessions
