Dear Colleagues;

It is our pleasure to invite you to participate in the 7th edition of the 2018 International Conference on Advanced Logistics and Transport (ICALT 2018), which will be hosted on 9-12 December 2018 by École de Technologie Supérieure (ÉTS, Montreal, Canada), in collaboration with the REGIM-Lab. (University of Sfax, Tunisia) and the University of Valenciennes (France).

The aim of the ICALT'2018 is to bring together researchers and practitioners from industry and academia and to provide them with a platform to report on recent developments, achievements, deployments, technology trends and research results, as well as initiatives related to Logistics & Transport and their applications.

You are invited to submit a full paper at the 7th International Conference on Advanced Logistics and Transport (ICALT'2018).

IEEE ICALT'2018 includes the following Symposiums:

- **Logistics 4.0 and Smart Supply Chain (LSSC)**
- **Symposium on Logistics & Supply Chain Management (LSCM)**
- **Symposium on Intelligent Transportation Systems (ITS)**
- **Symposium on Optimization and Logistics Challenges (OLC)**
- **Symposium on Logistics Systems and Services (LSS)**
- **Symposium on Industrial Engineering (IE)**

All papers will be blindly peer-reviewed by three reviewers. Conference content will be submitted for inclusion into Abstracting and Indexing (A&I) databases. Selected papers will be published in one or more special issues of reputed, abstracted, and indexed journals.
