Call for papers

Participants will have **two ways of submission**, a short paper or an abstract:

Short paper

(6 – 8 pages, including front matter and references)

Deadline March 3rd, 2017

Short papers will undergo a review process by anonymous referees.

Accepted papers will be included in a special volume of the

Springer Conference Proceedings in Mathematics and Statistics (PROMS),

indexed in main scientific databases (Scopus, Thomson Reuters, Google Scholar, etc.).

They have to be prepared in LaTeX or Word using the PROMS template and submitted via Springer’s Online Conference Service, **OCS**, (<https://ocs.springer.com/prom/>).

Abstract

(min 1000 characters, space included, max 1 page including front matters and references)

Deadline April 15th, 2017

Abstracts to be included in the conference e-book of abstracts
will be selected by ODS2017 Programme Committee.

They should be prepared using the ODS2017 Word template available on the conference website
(www.airoconference.it/ods2017).

Call for sessions

Session proposals are welcome and have to be sent to ods2017.airo@unina.it within **February 26th**.

Proposals have to report:

Title of the session and first attempt title, authors, and kind (short paper or abstract) of each contribution.

Contributions of invited sessions will undergo the same review process of regular short paper and abstract.
