PROMETHEE DAYS 2020
June 2-4, INAU, Rabat, Morocco

Main Theme: Multicriteria Decision Aid for Sustainable Development

In 2020, the **PROMETHEE Days** will visit a third continent. After North America (Montréal) and Europe (2x Brussels, Portsmouth, Heraklion, Split), we invite you to Africa for this seventh workshop!

The **PROMETHEE Days 2020** workshop will be hosted by Targa-AIDE (www.targa-aide.org) and INAU (www.inau.ac.ma) in Rabat, Morocco, from June 2 to 4, 2020. It is a great opportunity to share your **PROMETHEE** experience with **PROMETHEE Community's** fellows.

Papers related to theoretical developments, comparative analyses or practical applications of the **PROMETHEE** methods are **welcome**.

The best paper presented during the **PROMETHEE Days 2020** workshop will be granted the 7th annual « **Jean-Pierre Brans PROMETHEE Award** » and all participants will have the opportunity to submit full versions of their papers for a special issue of a dedicated journal or for post-proceedings.

The **PROMETHEE Days** workshops aim to provide a communication platform for scholars, researchers, developers, specialists and other professionals in the related areas of multicriteria decision making to get together and to exchange ideas, share experiences, discuss key issues, and identify future research and development directions.

The **PROMETHEE DAYS 2020** workshop will focus on Sustainable Development.

In this context, key topics of interest include (but are **not limited to**):

- Multicriteria Decision Aid
- Decision Support Modeling
- Decision Support and Expert Systems in the Environment and Energy Sectors
- Data Visualisation and Decision Making/Support
- Environmental and Energy Data Visualisation
- Geographic Information Systems
- Data Science, Big Data Analytics and Business Intelligence
- Collaborative Decision Making
- Intelligent, Web-based, Spatial Decision Support Systems
- Application Models and Systems: Agricultural, Environmental, Farming, Water Resources, Livestock, Fisheries, Warehouse, Sustainable Forest and Rangeland Management, Food Processing and Supply Chain Management
- Regional Planning
- Case Studies involving any of the above issues.

Paper submission: We welcome paper submissions as extended abstracts or short papers (maximum 4 pages) by the **March 1st, 2020, deadline**. The submissions' handling and reviewing of papers for the **PROMETHEE DAYS 2020** workshop is done through the EasyChair Conference System. The link for paper submissions is:

<http://easychair.org/conferences/?conf=pd2020>

Publications: As for previous **PROMETHEE Days** workshops, accepted papers may be published through various means, including post-proceedings and special issues in MCDM related journals. More details will be announced later.
