Dear Sirs,

It is our great pleasure to invite you to participate in the the 1st IEEE International Conference on Serious Games for Health, SeGaH 2011, to be held in Braga, Portugal, from November 9-11, 2011.

SeGaH 2011 is promoted by the Polytechnic Institute of Cávado e Ave (Barcelos, Portugal) and sponsored by IEEE.

The overall objectives of the conference are the discussion and sharing of knowledge, experiences and scientific and technical results, related to state-of-the-art solutions, technologies and applications of serious games in health and healthcare, as well as the demonstration of advanced products and technologies.

Possible topics include, but are not limited to:

- Simulation;
- Virtual environments;
- Patient education;
- Public health education;
- Game-based learning;
- Exercising and active living;
- Assistive technologies;
- Accessibility;
- Rehabilitation;
- Diagnosis;
- Clinical training;
- Healthcare professionals training;
- Surgery;
- Algorithms;
- Artificial intelligence;
- Human-computer interface;
- Game design and development.

In any of these or related topics, submissions can focus on:

- Enabling technologies and practical deployment of solutions;
- Business opportunities, business models, and management;
- Social aspects; and Applications and case-studies (in use or test phases).

For more information please consult the conference webpage at <http://www.ipca.pt/segah2011>

Looking forward to meeting you in Braga next November 2011.

Best regards,

The conference organizers.
